To Whom It May Concern,

This letter serves to confirm that Stuart was employed as Crew Chef on board M/Y Audaces from September 10th until November 29th 2021.

During his time on board Stuart proved to be a highly dependable and cheerful crew member. His meals are healthy and full of flavor with fantastic variety. Stuart is always on time for meal times and keeps a clean and organized workspace. He was also tasked with provisioning for the vessel and did so on a good budget, regularly arriving before work hours to ensure shopping was done on time.

The crew very much enjoyed his food as well as his easy going disposition and are sorry to see him go.

I would without hesitation recommend him to any vessel and wish him well on his onward journey.

Please contact me for any further information.
