RE Letter of recommendation for STUART ANTHONY

To whom it may concern,

This letter confirms that Chef Stuart Anthony performed his position of sole chef aboard the charter yacht Northern Song for the 2022 Alaska charter season, serving 8 guests and 4 crew on 8 day/ 7 night charters, beginning in mid April through September.

Stuarts performance was impeccable and well orchestrated. His organizational skills with both chef duties for 3 daily meals with hors d'oeuvres and desert as well as light stew duties was perfect.

Turn around was 48 hours which Stuart cleaned the galley area and re provisioned the yacht. Special dietary requests were handled with skill.

Stuart was a pleasure to have on board and work with. He got along well with all of the crew and clients.

We would highly recommend Stuart for a chef position.

Sincerely,

Captain Dennis Rogers
